RE: Cornelia Spence – C & S Managing Services & Plum Development

To Whom It May Concern:

This is to recognize the work performed by Cornelia Spence d/b/a C & S Managing Services and/or Plum Development for the City of Albany since 1994. Mr. Spence completed numerous residential demolition jobs, some construction renovation, and a lighting installation. All work was completed in accordance to specifications and within the time period allocated by the bid documents.

Should Mr. Spence desire to provide services to the City of Albany in the future, his participation would be welcomed.

Sincerely,

Yvette Fields
